Ethan,

Got your letter today that you sent Rachel, about you trading stamps for some soap. I'll send you what I have for now & I'll get some more.

If your boots are not right get some new ones at the PX, you have plenty of money. I know you can't go to the PX everyday but get new boots the next time they give you a chance. to go.

Not much going on here, but the weather couldn't be better, Not too hot during the day & not too cold at night.

Hows your psysical training comming alone? I herd the Sargent is helping you out, I sure hope so. I'm sure you will pass, you have plenty of time to improve. I know I wasn't very good at first, but I made it & I hated it, doing PE everyday.

I wish they would give you phone priviliges sometime, we sure would like to hear your voice.

We sure miss you son & love you very much. I wish I could be there with you. to help you out.

I'll say good by for now & write Again tomarro. We Love You!
